

Ashbury Meadow Primary School
Handwriting Policy
June 2022

Policy Written by: M. Gibson
Date Written: 21.06.22
Date this policy will be reviewed: June 2026

Handwriting Policy

At Ashbury Meadow Primary School, we are very proud of our pupil's handwriting and take particular care in our handwriting style. We use Letter-join's on-line handwriting resource and Lesson Planners as the basis of our handwriting policy as it covers all the requirements of the National Curriculum.

Objective

Handwriting is a key skill that influences the quality of work throughout the curriculum. By the end of Key Stage 2 all pupils should have the ability to produce fluent, legible and, eventually, speedy joined-up handwriting, and to understand the different forms of handwriting used for different purposes.

Our intention is to make handwriting an automatic process that does not interfere with creative and mental thinking.

Aims:

- To develop a neat, legible, speedy handwriting style using continuous cursive letters, which leads to producing letters and words automatically in independent writing.
- To establish and maintain high expectations for the presentation of written work.
- For pupils to understand, by the end of Year 6, the importance of neat presentation and the need for different letterforms (cursive, printed or capital letters) to help communicate meaning clearly.

Expectations

All teaching staff are expected to model the printed or cursive style of handwriting chosen for each year group in our school in all their handwriting, whether on whiteboards, displays or in pupils' books. Staff will use the chosen fonts for all printed resources to embed children's familiarity with the chosen letter forms.

Pupils will experience coherence and continuity in the learning and teaching of handwriting across all school years and take pride in the presentation of their work. Our objective is to help pupils enjoy learning and developing their handwriting with a sense of achievement and pride.

Handwriting frequency

Handwriting is a cross-curricular task and must be taken into consideration during all lessons. Formal teaching of handwriting will be carried out regularly and systematically to ensure Key Stage targets are met. Children are to receive handwriting lessons as a minimum of 3x per week.

Pens and pencils

Children will start handwriting using a soft pencil. When fine motor skills have been established a handwriting pen can be used.

Inclusion

For children who experience handwriting difficulties due to fine motor development, including those who are left-handed and those with special educational needs, the appropriate additional support will be put into place. Lesson Planners all include differentiation activities for extra practice/challenge. Additionally, for children in KS2 still struggling in this area, additional support will be put into place to help develop handwriting further.

Handwriting at Home

Pupils will be encouraged to practise their handwriting at home by using the Pupil log-in for Letter-join. Teachers can set Home Learning Tasks which may include:

- Magic Patterns
- Magic Words
- LetterMatch
- LetterLotto
- Letter Families activity
- Word Search
- Word Bank
- Spelling lists
- Write it Right!

Children can also watch the word and letter animations and practice and explore other handwriting resources on Letter-join.

A link to access this will be provided on the school's website and on Google Classroom and the appropriate

Professional Development

All staff will receive ongoing training and professional development based around the implementation of Letter Join and usage of the chosen fonts. Staff will receive support with the best pedagogy to be able to teach and support students to have fluent handwriting in the chosen print or cursive style.

Staff new to the school will receive Introductory support and training based upon Letter Join, the chosen fonts and best pedagogy for teaching handwriting within school.

Monitoring

The Senior Leadership Team and staff with responsibilities for teaching and learning will monitor the teaching, progress and implementation of handwriting across school. This will include: monitoring of handwriting books, wider curriculum books, lesson observation, learning walks, pupil voice and staff

voice. This will be used to plan further staff development and to ensure that students receive a high and consistent standard of teaching across school.

Curriculum

Children will receive teaching based upon the Letter Join sequence of learning to develop handwriting. This begins in EYFS up to the end of Year 6. This is supported with lesson planners and resources that are pre-prepared to support staff with high quality teaching and learning and to help manage workload. It is an expectation that this is used by all staff.

Key Stage Teaching

Early Years

For our youngest pupils we teach short handwriting lessons throughout the week, which will include the following:

- enhancing gross motor skills such as air-writing, pattern-making and physical activities
- exercises to develop fine motor skills such as mark-making on paper, whiteboards, sensory trays, iPads, tablets, etc.
- becoming familiar with letter shapes, their sounds, formation and vocabulary
- correct sitting position and pencil grip for handwriting

Lesson Planners

Module 1 Print: Early Years teaches handwriting using the printed method. It starts with fine and gross motor skills warm-up exercises, correct sitting position and tripod pencil grip.

It is divided into three sections covering:

- pre-writing patterns
- easy letters and words
- harder letters and words

At the end of this module, At the end of this module, children should be able to recognise and form all the printed, lowercase letters of the alphabet.

Key Stage 1: Years 1 and 2

Teaching progresses to up to three longer lessons per week:

- continuing with gross and fine motor skills exercises
- strengthening handwriting, learning and practice
- numerals, capitals and printed letters; where and when to use, learning and practice

Module 2 Lesson Planners – Year 1

Module 2 Print to Cursive teaches how to correctly write capital letters, uses of printed letters, numbers, punctuation, maths symbols and other symbols. Pre-cursive patterns and cursive letters are then introduced in preparation for Module 3 when children are required to start joining their handwriting.

It is divided into three sections covering:

- warm-ups, letter families and capital letters
- uses of printed letters
- numbers and symbols
- introducing pre-cursive patterns and cursive letters

On finishing this module, children should be confident in writing all the capital and printed letters, numbers and symbols and start to become familiar with the orientation of cursive letters.

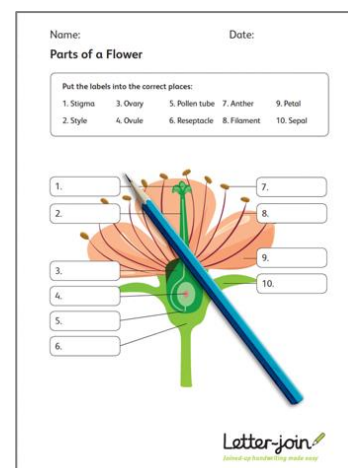

Module 3 Lesson Planners – Year 2

Module 3 – Starting Cursive introduces children to cursive letters and how to join them. They will have regular practice in letter formation and joining their handwriting.

The sections in this module cover:

- cursive letters and words
- letter families
- high frequency words
- joining techniques
- sequencing sentences
- dictation exercises
- times table facts
- SPaG practice for KS1 SATs

With the regular handwriting practice throughout this module, children should now be developing the fluency and speed of their writing.

Lower Key Stage 2: Years 3 and 4

Handwriting lessons will continue three times a week in Lower Key Stage 2.

Lesson Planner Module 4 for Year 3 is targeted at children in lower KS2 where pupils should be using a cursive style throughout their independent writing in all subjects, helping to refine their handwriting in line with the requirements of each lesson. This module covers topics such as dictation, double letters, number vocabulary, palindromes, tongue twisters, MFL (French and Spanish), onomatopoeia, simile and statutory spellings.

Completion of Module 4 should ensure improvement in the legibility, consistency and quality of the children's handwriting through a variety of resources which link handwriting to other areas of the curriculum.

Lesson Planner Module 5 for Year 4 focuses on using handwriting practice to support other subjects in the curriculum and, at the same time, builds on fluency and consistency. This module aims to promote meaningful links with other subjects such as English, maths, science, geography, French and Spanish. Making such links enables children to apply the skills they are learning in context and also provides depth to the curriculum.

Learners will continue to build on producing fluent, consistent and legible handwriting through the regular practice offered in this module's lessons.

On concluding this module, children will have practised applying size-appropriate handwriting to all areas of the curriculum whilst maintaining fluency and legibility.

Upper Key Stage 2: Years 5 and 6

More advanced handwriting techniques will be taught during three weekly lessons:

- reinforcing cursive handwriting across the curriculum
- form-filling/labelling using printed and capital letters
- dictation exercises promoting quick note-taking and speedy handwriting writing skills
- SPaG practice using the appropriate handwriting style

EXAMPLE

Word of the Week: precarious

Write this week's word six times:

precarious precarious precarious
precarious precarious precarious

Use a dictionary to find the definition of the week's word:

If something is precarious, it is not safe and likely to fall off or fall over.

Write some synonyms of this week's word:

insecure risky hazardous
treacherous unsafe dangerous

Write some antonyms of this week's word:

safe fixed strong
secure protected stable

Write a sentence using this week's word:

The cat was in a precarious position in the tree.
Beware: this cliff edge is precarious.
Take care on that precarious, old ladder.
The stranded climber was in a precarious situation.

Dictation Exercises

Key Stage 2
More challenging exercises

4 small scabomas
29.10.2003

My birthplace is Scotland but at seven I moved...

A shopping list, complex numbers and a longer written passage.

Key Stage 2
Traditional stories and poems.

Hansel and Gretel

Suddenly the door opened, and an old woman came out.

Dictation exercises using extracts from traditional stories and poems.

Lesson Planner Module 6 for Year 5 continues to build on combining fluent handwriting with other subjects across the curriculum.

In this module, learners will have plenty of opportunity to develop the stamina and skills to write at length, with accurate spelling and punctuation. With Letter-join's wide range of resources they will be able to work towards producing consistently neat and well-presented handwriting in all curriculum subjects.

On completing this module, children should be producing cursive writing automatically, enabling them to focus on the content of their work rather than the process of writing.

Lesson Planner Module 7 Year 6 presents learners with a range of tasks where they have to decide on an appropriate style of handwriting. Promoting speedy, fluent writing continues to be a strong feature. Challenging dictation exercises will refine pupils' revising and checking skills as well as boosting their handwriting speed, stamina and fluency. A range of curriculum-based worksheets will give pupils the opportunity to practise writing at length.

Module 7 also contains a series of worksheets to aid KS2 SPaG revision. They are designed to support year 6 pupils in meeting expected standards for spelling, punctuation and grammar, with lots of SPaG preparation and plenty of handwriting practice.

By the end of this module, children should be able to adapt their handwriting for a range of tasks and purposes and to create different effects. They should be clear about what standard of handwriting is appropriate for a particular task, for example, quick notes, a final handwritten version, an un-joined style or capital letters. All of these writing styles are covered in this module.

Correct posture and pencil grip for handwriting

Pupils should be taught to sit correctly at a table, holding a pencil comfortably and correctly.

SITTING POSITION

Paper position for right-handed children.

LEFT-HANDED CHILDREN

Left-handed children may find it difficult to follow the movements of right-handed teachers as they model letter formation (and vice versa). Teachers should demonstrate to left-handers on an individual or group basis.

- Left-handed pupils should sit to the left of a right-handed child so that they are not competing for space.
- Pupils should position the paper/book to their left side and slanted, as shown.
- Pencils should not be held too close to the point as this can interrupt pupils' line of vision.
- Extra practice with left-to-right exercises may be necessary before pupils write left-to-right automatically.

Paper position for left-handed children.

The Tripod Pencil Grip

Both right and left handed children should be encouraged to use the tripod grip which allows the pen/pencil to be held securely whilst allowing controlled movements of the pen/pencil nib. We use the Tripod Grip Rhyme:

Right-handed pencil grip

Point away the pencil,

Pinch it near the tip,

Lift it off the table,

Spin it round...

and grip.

Left-handed pencil grip

Point away the pencil,

Pinch it near the tip,

Lift it off the table,

Spin it round...

and grip.
