

Ashbury Meadow Primary School Contingency plan from October 2023 onwards. Remote learning for isolating pupils, year group and school closure.

Updated 12.10.23

Scenario Level	Duration	Description
Tier 1	5 days	In the event of an individual child or a small group (10 children or less) needing to quarantine.
Tier 2	5 days	In the event of a year group closure (partial). 1 or 2 classes in the same year group. (building issues, infection)
Tier 3	Unknown time span – depends on severity of issue	In the event of all classes in the school needing to close (bad weather, building issues, local lockdown, infection, cyber attack)
Tier 4	Unknown time span – depends on severity of national lockdown	In the event of all classes in the school needing to go into isolation due to national school closures (No children in school just vulnerable & key worker children still in school)
Tier 5	Unknown time span - Full lockdown/localised or national	Absolute closure for the entire school, teachers prepare paper packs for reading, writing, maths and SPAG for pupils with no access to devices and send out prior to lockdown date, as no work will be able to be copied and posted if school is completely closed. For all other issues follow tier 3.

In the event of tiers 2-5, it is expected that staff will have a 1 day recovery time to prepare for online learning. This could be extended in the event of a serious cyber attack

Key Issues	Tier	EYFS	1/2	3/4	5/6
Communication methods from school to home	Tier 1	Attendance officer emails parent with instructions to participate in remote learning	Attendance officer emails parent with instructions to participate in remote learning	Attendance officer emails parent with instructions to participate in remote learning	Attendance officer emails parent with instructions to participate in remote learning
	Tier 2 & 3,4,5	Headteacher to inform parents via Schoolcomms text message and email. JA to create banner and information to be posted on website. How will parents/pupils know how to use the online learning platform?	Tiers 1, 2 and 3,4,5	At the start of the academic year all parents are sent home a 'How to use' guide to support them with their 'day to day' access to Tapestry. A further letter/observation post from school will be sent to all parents notifying them that pupils will be using Tapestry to access home learning and that parents are to access this via the memo section and post pupils' evidence of work. The school website contains information about how to use Tapestry.	Letters will be sent to parents to notify that pupils will be using google classroom. Provide training for parents via video through school website. Set up the opportunity to ask questions and seek support via class email account. Class teacher to train pupils how to access Google Classroom in school. Homework will be set via Google Classroom so children have regular opportunities to access the platform.	Letters will be sent to parents to notify that pupils will be using google classroom. Provide training for parents via video through school website. Set up the opportunity to ask questions and seek support via class email account. Class teacher to train students how to access Google Classroom in school. Homework will be set via Google Classroom so children have regular opportunities to access the platform.	Send letters out to parents to notify that pupils will be using google classroom. Provide training for parents via video through school website. Set up the opportunity to ask questions and seek support via class email account. Class teacher to train students how to access Google Classroom in school. Homework will be set via Google Classroom so children have regular opportunities to access the platform.
How will the school know if children have access to a digital device?	Tier 1, 2 & 3,4,5	Letter to be sent out to parents to audit: -accessibility of device at home -whether there is a device for each sibling -whether parents are able to support their	Letter to be sent out to parents to audit: -accessibility of device at home -whether there is a device for each sibling -whether parents are able to support their	Letter to be sent out to parents to audit: -accessibility of device at home -whether there is a device for each sibling -whether parents are able to support their	Letter to be sent out to parents to audit: -accessibility of device at home -whether there is a device for each sibling -whether parents are able to support their
