# FAMILIES CONNECT

Save the Children

Enjoy helping your child  
learn at home

Your child will love spending time with you at school

Try out free games to share as a family at home that will help your child at school

What will I do?

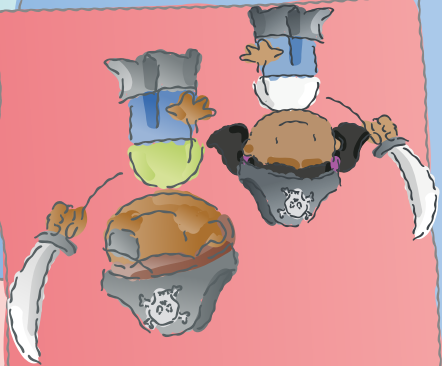

Learn and play together as a family

Understand feelings, praise and listening.

Explore books and stories

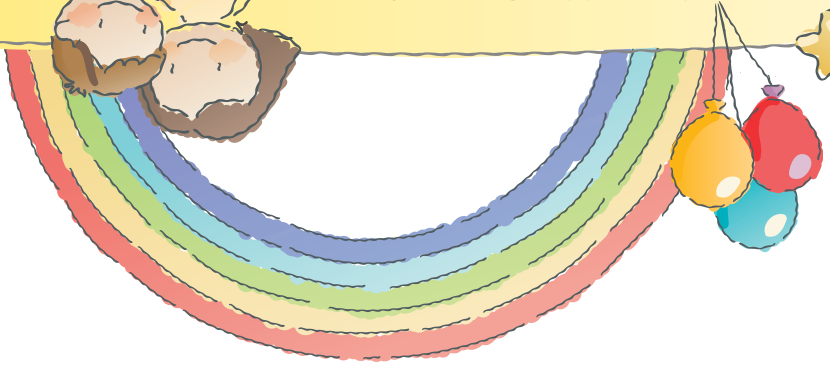

Play with numbers and counting

### What is Families Connect?

- 2 hours a week
- 8 weeks
- Families and children aged 4 to 6

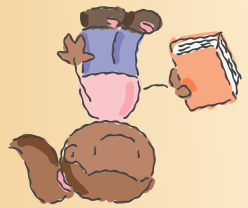

### Spend time with other parents and carers

Talk about the activities that help your children learn

Share new games before taking them home

Share your own advice and challenges
